

Letter from the INHPA President:

We've made some changes in Indiana to bolster horseshoe pitching, retain our current membership and increase our numbers. I would like to encourage all of our members to submit ideas and / or suggestions to continue the above. In addition, I would also like to see a list of reasons why a pitcher might not renew his or her membership.

Indiana should be very proud of our members because we send record numbers to the World Tournament compared to other states. It would be great to increase our numbers and reverse the trend. I will do everything that I can to do this.

Let's have a great and safe 2018.

Dan Dunn  
INHPA President
